Select one unit from this list.
- Community Development
- Synapse
- Anticipatory Innovation
- Kanyini 5 day study tour
- Integrative Conversations

In oases we consciously ground all our interactions in an ethos of ‘mutually beneficial relating’. This has particular responsibilities for all of us, (for instance in the way we respect personal information, the way we work together and the expectations we have of ourselves and each other). We perceive ‘ethics as mutually beneficial relating’ not as an abstract code or set of policy guidelines but as a ‘process’ embodied in social context and interactions as well as a set of positive principles. Such ethics, rather than disabling, are enabling and rather than ‘once off’, disengaged and abstracted, ethical actions and ethics conversations are ongoing. In joining us in this learning adventure, we ask that you show your acceptance of this way of being by signing below.

Payment Details:
Please remember to include your $500 deposit cheque when returning this Enrolment Form. If you wish you can deposit the money directly to our account (Bank MECU BSB 313-140 A/C 12037966) and send a printed confirmation with this Form.

Please see over the page for more Payment Details.
It is our desire to work with you to organise and agree to a payment plan which suits both our needs and your circumstances. From our side, your course fees are what we use to provide you with all aspects of the program. There is no other funding source - so our preference is to have your fees paid early in the year or at least regularly through the year in a way we can rely on. That said, we are very flexible in the arrangements we can/will agree to. We offer below several options for you to consider. If one of these is suitable, please circle it and sign your name below it. If you wish to discuss an option other than these, please call us prior to the first day of class to discuss then come prepared to sign an Agreed Payment Plan and to make a payment on that day.

**Course Fees for 2013:**

- One year full enrolment: $6300 (additional costs may be incurred in relation to some elective units)*
- Single unit fee: $1050 (this is variable depending on the nature of the unit)**
- Optional costs: include such things as access to the Australian University Library System and occasional costs for materials.

* The full cost of some units may not be known until later in 2013 (eg Kanyini 2013 cost estimate $2200 plus return airfare to Uluru)
** Integrative Conversations single unit cost is higher than an elective unit.

### Sample payment options for full enrolment

<table>
